<b>Friends of Parks Edith Rodaway Friendship Park Seating Enhancements</b>
--

**Recommendation**

Staff recommends that Commission accept the Friends of Parks donation toward the seating project and approve the requested seating enhancements.

**Background**

The Department of Community Resources received a letter of request from Laura Raymond, Friends of Parks President, requesting to enhance the existing seating at Edith Rodaway Friendship Park. The organization has offered to contribute \$5,000 toward the project. This amount would cover the costs for product purchase and the City would cover cost the cost of installation. Enhancements would include installation of new benches for park and basketball court areas, as well as picnic tables.
